STRATEGY BY CATEGORY

Roll Up

Expansion

- Acquire existing **Boarding** facilities to increase network size and footprint

Value Add

- Retrofit Grooming, Training and Daycare services into **Boarding** facilities to smooth out seasonal effects

New To Industry (NTI)

Expansion

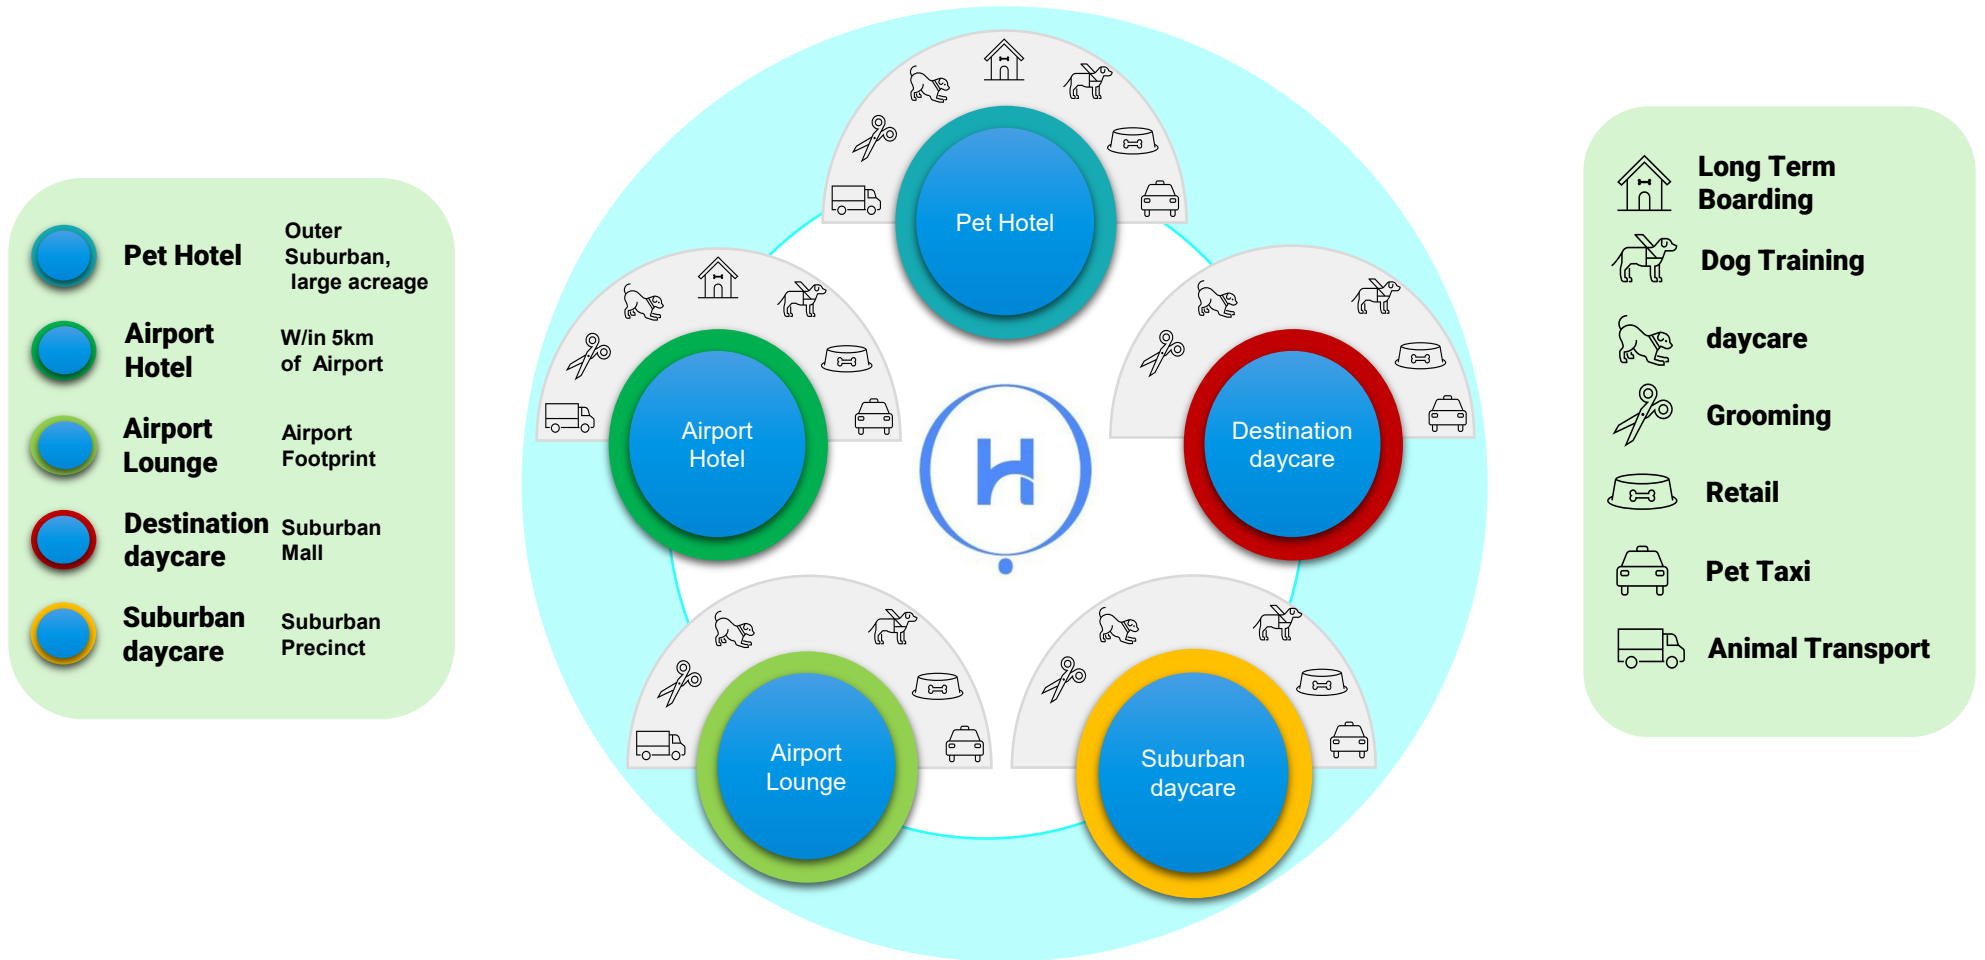

- Fill in **Boarding** network gaps with NTI facilities, focused on Airport partnership and locations to complement Transport business line

Extension

Expansion

- Development of **Transportation** business line to capture share of growth market, with unique end-to-end pet care model
- Development of convenient and innovative stand-alone **Daycare** sites offering daycare, grooming, training and plug in to national **Boarding** and **Transportation** network

STRATEGY BY INTEGRATION

SCALING UP CHALLENGES

SCALING UP CHALLENGES

Team Productivity and Culture*

- Invest in culture, upskilling and management – we can not afford low performing people
- Team to Understand a scalable vision - an integrated model – Low skilled industry needs more comms
- Keep a hiring/firing balance (talent search always ON!!) – take advantage on probation period if not adding value within 60 days exit

Customer acquisition, GTM and brand

- Reducing the GAP Acquiring repeat purchase
- Go to Market (GTM) plan is critical – clear service and product offering and USP.
- New Brand Category - Playgrounds →

Upgrading our Tech

- Development Pathway – pay for quality experts for each development milestone
- Distractions - delaying integral value add activities for ongoing strong store growth

Business monitoring and financials

- Acquisition systems and reporting – Bookings, CRM, phone, email, sales and expenses
- Cash monitoring per site is KING

Investment

- COVID Financial Impact Writebacks
- The right investment fit – people, process and funding expectations
- Time and Resources to update/adjust investment deck and ongoing engagement

Entrepreneur Expectations

FUTURE WORKFORCE PLANNING

FUTURE WORKFORCE PLANNING

Workforce Design

- Go with Employee expectations trends and re-model your workforce planning strategy
- Employee Type Mix – fulltime, permanent part time (PPT) and casual

Employee Type	Pre 2022	2022
Fulltime	50%	32%
Permanent Part Time	10%	48%
Casual	40%	20%

Note: PPT generally work 2, 3 or 4 days with agreement to work 5 days per week with no penalties

- Ensure Roles are Specific for skills and capability - don't multi mix roles

Career Employment Hub

- Role vs career pathway

Workforce Retention

- Skills gap training
- Bi monthly staff appreciation activities
